

Game & Clay Cartridges

2021 PRICELIST

Based in Trustach, just outside Banchory in Aberdeenshire, Trustach Shooting Supplies was established by Julian McHardy in 2016.

Previously known as Cairngorm Sporting Supplies and Caledonian Cartridge Company, we are based in Royal Deeside in the heart of Aberdeenshire and have been manufacturing and distributing shotgun cartridges to customers throughout the UK for over 30 years.

We are the UK's sole distributor for Caledonian Cartridges, a brand with which we have been associated for over 15 years.

We are also the main agent for Eley Hawk cartridges in Scotland. We are also main agents for Swarovski Optics, AYA shotguns and Mannlicher Steyr Rifles.

In 2017 we were honoured to be awarded a Royal Warrant to Her Majesty The Queen for supplying shooting accessories and ammunition - one of only four Royal Warrants presented in Scotland that year.

It demonstrates a level of quality of product and service of which we are very proud to be part of.

This is a major vote of confidence in a Scottish business and we look forward to being of service to shooting sportsmen and women and the country pursuits industry for many years to come.
